Subject: Question about exposure to Covid

18

Mark, I know David is on vacation so I wondered if you could circulate this to the county on our behalf.

This is a question from one of my board members:

“The clearer definition of a close contact is helpful in planning, but I still don’t understand the recommendations or expectations for students/staff with ongoing exposure aka someone in you house has COVID. Come to School? Don’t? Until when?”

Thanks as always,
Jason
